### **Casey Krawiec Promoted to StratEdge VP North American Sales**

**San Diego, Calif – June xx 2006** – StratEdge, leader in the design and production of semiconductor packages for microwave, millimeter wave, and high speed digital devices, announced that Casey Krawiec has been promoted to vice president of North American sales. Mr. Krawiec joined StratEdge in August 2002 as senior account manager.

Mr. Krawiec's experience includes engineering and sales in the microelectronics and telecommunications industries, especially with high frequency semiconductor packaging and assembly. Prior to joining StratEdge, Mr. Krawiec spent seven years at Kyocera America, San Diego, Calif where he held the positions of offshore sales manager and sales engineer. He was a design engineer and engineering project manager for the Naval Surface Warfare Center in Louisville, KY. Mr. Krawiec has a BS in Mechanical Engineering from the University of Kentucky and an MBA from the University of Louisville.

"Casey has been instrumental in the growth of StratEdge and in focusing the direction of the company," said Tim Going, StratEdge's president and CEO. "I congratulate him on his promotion and look forward to continuing to work with him as he moves into his new role."

#### **About StratEdge**

StratEdge, founded in 1992, designs, manufactures, and provides test and assembly services for a complete line of high performance semiconductor packages operating from DC to 50+ GHz for the high speed digital (OC-48, OC-192, OC-768), mixed signal, broadband wireless, satellite, point-to-point/multipoint, VSAT, and test and measurement industries, as well as aerospace stripline filters. StratEdge offers ceramic, low cost hermetic SMT, and metal packages. All packages are lead-free and meet RoHS and WEEE standards.
